06 — AGREEMENT

Agreement of acknowledgment.

MASTER SERVICE AGREEMENT (Sample). The undersigned vendor acknowledges receipt of and agreement to the Master Service Agreement, including payment terms (Net 30), confidentiality obligations, indemnification provisions, and the standard insurance requirements outlined in Schedule A. The vendor confirms identity has been verified through Truvee live face verification and that the W-9 and certificate of insurance attached to this record are current and accurate. This acknowledgment is part of the sealed Truvee record and is non-revocable.

PURPOSE OF VERIFICATION

Vendor onboarding verification with master service agreement acknowledgment and supporting documents.

This sealed proof records that an identity verification was completed at the date and time shown using industry-standard biometric verification. It is not a consumer credit report and not subject to the Fair Credit Reporting Act. Truvee does not store ID or biometric data. The recipient remains fully responsible for their own decisions and transactions arising from this verification. Truvee is a verification tool, not a provider of identity, character, or intent.
